

How to book for October half term holiday camps

To book a place on our WildCats holiday camps there is a two-step process.

STEP 1

- Firstly you need to book your child's place(s) through the 'Wrap Around Care' module in WisePay. This lists camps taking place over the holidays.

Wrap Around Care
(Breakfast and After School Clubs)

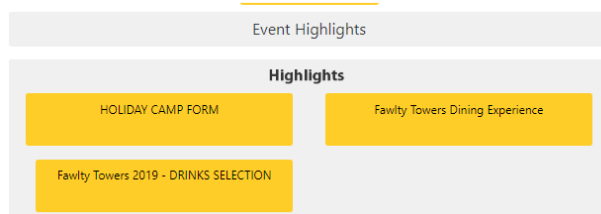

- Select the dates and number of places each day in each camp you would like to book. Don't forget we offer Early bird and Late owl camps.
- If you would like to pay by childcare voucher please tick the 'yes' box underneath the calendar before you click 'purchase'.
- Please note **Tech Camp** is zero priced and you will need to **pay for this particular camp separately** in the 'Clubs and Activities' module once you have booked your place unless you are paying by childcare voucher.

Clubs and Activities
(including Sports Academies)

STEP 2

- Secondly you will then need to complete a 'holiday camp form' for your child which you can find in the highlights section of WisePay.

- **Only** complete the 'holiday camp form' once you have booked your places on the camps in the 'Wrap Around Care' module.
