

CODING & ROBOTICS CAMP INFORMATION SHEET

Who is the camp suitable for?

- Our Coding and Robotics Camps are open to boys and girls aged between 6-14 years of age.

Do you need prior coding experience?

- No prior coding experience is necessary to attend the camps.
- If your child has been to one of these workshops before, then their learning will be extended further, and they will not have to repeat the same content as before.

Where is the drop off and pick up point?

- Please use the postcode RH10 3HR which brings you to the main entrance of the school. Please use the car park spaces in the school and register your child with the Code Kids camp manager at the school reception.

What should my child wear?

- This is predominantly an indoor camp which takes place in classrooms or a large hall on Lego Robotics days. There are several opportunities for outside play at breaks and lunch time so on rainy or cold days your child will need a coat.

What else will we need to bring on the day?

- Please bring a packed lunch with snacks for morning and afternoon breaks. **Please do NOT put any nuts or nut products in your child's lunch box, including may contain.**
- A refillable water bottle so they can keep hydrated during the camp
- Any medicines. There will be an opportunity to outline any medical needs during the booking process.
- All equipment is provided for the younger classes so your child will not need to bring any specific IT equipment

Can my child attend just for one day?

- Yes. We do take bookings for individual days, but we do offer a 5% discount for a full week booking.

How do I contact the camp manager on the day?

- If you need to contact the CodeKids camp manager directly on the day, then please call **07825 295 811**. For anything non urgent please email ammara@codekids.org.uk
- Alternatively, you can call the Wildcats duty mobile phone which is **07544 973 240**. For anything non urgent please email wildcatscamp@caterhamschool.co.uk
